In this historic year, as we mark the centenary of our Catholic schools being run in partnership with local government, and when we see the introduction of a new Education Bill into law, it is more important than ever to promote the role of parents as the first educators of their children. This one day event gathers parents from across all of our Dioceses and offers support, encouragement and the opportunity to talk with other parents about the challenges and joys of sharing faith with children and young people in today's world. The event is free, but in order to organize catering and resources we would ask that you book a place by phoning SCES on 0141 556 4727.
