Children's Liturgy – the Children's Liturgy programme for 2018/19 begins with a Family Mass on Sunday 16 September. We will be starting with our normal children's programme in the Parish Centre from the following Sunday, 23 September. We will place a copy of the schedule of dates for Children's Liturgy on the notice board at the back of the church. We want to make a change to the readers at Family Masses this year. We would like one or two families to do the readings, so that we would have both parent and child readers. If you want to participate as a family of readers, please speak to one of the leaders. We are also looking for additional leaders, as two of our leaders have stepped down. If you attend the 9:30am Mass with children or not and would like to help, please contact one of the leaders. Being a leader does not involve a weekly commitment, but we do run short some weeks. It would be helpful to have a complement of leaders that can support this important ministry, particularly when they are attending the Mass in any case.
